# SCORPION EXO

For almost ten years Scorpion EXO™ has been dedicated to offering high quality, innovative motorcycle helmets at an incredible value. Some of the world's best helmet designers spend countless hours developing and testing Scorpion EXO™ products to ensure that each and every Scorpion EXO™ Helmet will surpass user expectations. Pulling R&D from some of the top riders in the world, from MotoGP all the way to the Dakar Rally, Scorpion EXO™ is committed to listening to your needs. At Scorpion EXO™ we are dedicated to providing premium quality safety products you can rely on, we live for our brand from start to finish and we ride the same streets that you do. At Scorpion EXO™ our brand is more than just a logo, it's a lifestyle.

## MISSION

Scorpion exists to challenge the status quo of the commodity market with innovative and intelligently designed products that change the way people think about their gear.

## IDENTITY

At Scorpion we believe that quality, value, and profitability are not mutually exclusive. We create products that enhance our customer's experiences and change the way they think about their gear. Every day we strive to Destroy Boundaries. We are committed to the fundamental principles of partnership, profitability, and progress. We believe in sustained profitability through mutual growth and dedicated communication. Our team is our core strength, and customer satisfaction is our core focus. Our Brand is more than just a logo.

## 2019 HELMETS PRESENTATION

### FULL FACE

Scorpion presents the all new, beautiful and light-weight EXO-R1 racing helmet with many incredible features. The large top vent scoops in more air and the aerodynamically designed exhaust vents pull the hot air out efficiently but the helmet remains quiet even when you ride fast, thanks to slim but large vent bodies correspond to elegant and sleek shell shape. EXO-R1 Air gives the most exhilarating experience when you ride regardless of who you are. EXO-R1 Air can fulfill a range of customer demands; from commuters to professional motorcycle riders.

With all good things the new EXO-1400 Air tourer helmet has, Scorpion adds an elegant carbon touch on the shell for more beautiful look and lighter weight. The Scorpion EXO-1400 Air Carbon hybrid is quite an essence of Scorpion's composite material technology acquired by the company's eminent TCT® composite fiber researches. It will deliver true riding pleasure to every all-day tourers with its ultra light weight, cool and comfort liner with premium details.

The all-new EXO-1400 Air helmet best shows the innovative spirit of ScorpionExo with an aggressive helmet shape, light weight, brand-new top super ventilation system, newly developed KwikWick® III liner fabric, and shield locking mechanism with a push-up open lever located in center. Thanks to ScorpionExo's leading-edge technology, the helmet can become more silent than its predecessor EXO-1200 Air but its top super ventilation system still provides quite sufficient fresh air while removes hot air quickly and efficiently out of its air channels. This helmet is born to give the best comfort to every tourers who rides all day. The helmet also comes with carbon hybrid version for the riders who want lighter weight, and premium details with more stylish image.

This helmet has a real efficient aerodynamic system (for optimum ventilation). Perfect for daily users as well as seasonal ones and the adventurers, the EXO-510 AIR is the best quality and has the most features in a helmet you can buy for that price ! The aggressive and high octane look will amaze you, it embodies the best of all our technologies !

SCORPION presents a premium helmet in the street range created to offer you optimized weight, fitment and comfort, SCORPION is equipped with innovative technologies: AirFit® Liner Inflation System, KwikWick II® Liner Fabric, Pinlock® 100% Max vision® 3D and all in the exclusive and revolutionary fiber composite Shell the new EXO-710 AIR is the answer to all your expectations.

Inherited the DNA of a best selling EXO-500 Air, the EXO-490 embodies not only stylish look but also multiple functionalities, yet available at price anyone can afford. The shield is with anti-scratch hardened coating, and is prepared for Pinlock® MaxVision®, the world's best fog-free resistant system. It also integrates the SpeedView® built-in retractable sun visor to protect rider from excessive sun light. Along with these, the EXO-490 does not miss ScorpionExo® signature functions like Kwikwick® II moisture-wicking removable and washable liner, and aero-tuned ventilation to force fresh air into the helmet while effectively move out hot air. It is the best choice for practical tourers who love to enjoy various features at a very competitive price.

The EXO-390 comes into most advantageous features of EXO-410 Air while offering a matchless competitive price. EXO-390 is equipped with Pinlock® MaxVision® prepared shield, KwikWick® II moisture-wicking liners, and the Scorpion's flagship Ellip-tec® ratchet system. You will never regret your choice when you experience the EXO-390's superior fitting, sporty design, and features other entry level helmets in the same price range cannot beat.

### FLIP BACK

EXO-Tech does not want to be just another flip-back style modular helmet but to be a game changer with its perfect full-face looking design, wide vision with Pinlock-ready shield, low-volume shell, easy-to-operate chin bar mechanism, and tension spring applied one-touch top vent. This modular helmet comes with a good price-to-performance ratio to satisfy various market needs. You will see the differences when you view it, you will feel the differences with you wear it, and you will experience the differences when you ride with it.

### MODULAR

The big brother of the EXO-920. This EXO-3000 AIR comes with the same modular features as the old 910 but with a new style and ULTRA-TCT fiber shell ! Improved by years of experience with the old EXO-900 AIR and 910 AIR, this high-end fiber modular helmet suits all your needs.

Ideal for a daily or occasional use, SCORPION reinvents it's modular range and creates the EXO-920. Functional, with a dynamic design, this helmet will become your best companion for all your rides whether it be on a motorcycle or scooter, in city center, in town or in the wilderness.

### STREET FIGHT

We started with a 3/4 helmet shell and added an integrated Speedview® drop down sunvisor for protection from sunlight. Then you attach the front mask and you got one very aggressive looking helmet. EXO-Combat is a real transformer for whom is looking for a "badass" look. Sometimes there are special forces that require you to go with it.

### OPEN FACE

A jet helmet with a look and inspiration from the «CAFE RACER» you always dreamed about, SCORPION gives you the BELFAST. This helmet has lots of assets and features. It will entice you with a harmonious design which pays homage to the classic heritage 3/4 open face helmets. Lightweight and comfortable, which will make you appreciate your whole ride. The retractable sun visor, treated with anti-fog, tinted light or dark smoked, will ensure your comfort and serenity. Moreover this helmet will seduce you thanks to the quality and the softness of the liner which is of course always removable and washable. Finally the micrometric Automatic Chinstrap allows you to adjust perfectly in order to ride in complete tranquility.

Belfast Carbon is an extremely lightweight helmet for city commuters as well as tourers. This helmet has not only all luxurious details and convenient features such as drop-down sun visor which we proudly presented through the Belfast Luxe, but also superior and gorgeous finish of a Carbon shell. By inheriting the essences of Scorpion's design and technology DNA, our pride melted into this helmet now becomes your pride when you ride.

For the street smart rider looking for a high-end, hand-laid fiberglass open-face helmet, we have made a unique product that combines protection, premium materials and a luxurious fit. The Belfast Luxe design offers a perfect balance of retro style with hand-stitched liner, elegant plush interior, luxurious off-set stitching, and real leather accents.

The EXO-City was designed to offer a modern, protective, practical and functional product for those riders that need more than just a normal jet helmet. The face shield is specially extended in length for serious wind blocking, and the internal drop down Speedview® sun visor protects the rider from excessive sunlight, dirt, and small flying objects. The removable and washable KwikWick® II liner will keep you comfortable and fresh with its moisture-wicking properties.

The EXO-220 holds everything you're looking for this helmet. Lightweight, ventilated, very comfortable with the triple density Liner foam pads covered with the new soft moisture wicking KwikWick II® Liner, the EXO-220 is an excellent choice to reach new heights in terms of style, with maximum fun and protection in your daily life

With a very sleek design, true to the original Open Face spirit, the Scorpion EXO-100 will be a great partner for your enjoyment on the road. Lots of features equipped the EXO-100 to shape your style to suit your moods. The EXO-100 is equipped with a retractable, a removable peak and a micrometric automatic chinstrap.

### ADVENTURE

Introducing the ADX-1, a versatile modular Adventure Touring helmet. It has features and quality that you would expect to pay three times more for. The ADX-1 can be used as a full face ADV helmet with external peak visor attached, or the peak visor can be removed and you have an aerodynamic touring helmet. Our oversized eye port is extremely wide for greater peripheral vision and downward visibility, and the modular chin bar can be conveniently flipped up when you stop to get gas or ask for directions. The internal drop down Speedview® sunvisor and KwikWick® II liner will keep you comfortable all day long even as lighting conditions change throughout the day. Additionally, the no-fog Pinlock® MaxVision® face shield can be removed and you can use the ADX-1 as a dirt helmet with goggles for off-road use. Two shell sizes made of Advanced LG® Polycarbonate and dual density EPS, result in a helmet that is light weight, strong, and protective.

### OFF-ROAD

The VX-21 Air comes with features demanded by the world's top off-road riders, utilizing Scorpion's advanced tri-composite fibre shell with TCT® shell construction and a dual density EPS system to create a light weight, feature-rich performance helmet that refuses to compromise. Not to mention the Scorpion's symbolic features: AirFit® cheek pad system for a custom snug fit, and aero-tuned ventilation for maximum breathability, the VX-21 Air is also upgraded with KwikWick® III Liner for moisture control and 3D contoured cheek pads for best fit to the rider's face to give an extreme comfort and freshness no one has ever experienced. Also, it comes with a peak visor extension that can be installed in seconds for those moments of extreme sun or mud in any terrain.

Feel the brand-new differences in design and fitment. VX-16 Air inherited the great features of VX-15 series such as AirFit, large eyeport, removable mouth vent, and peak visor extension, while it offers improved fitment with laser-cut 3D contoured cheek pads, larger chin room to breathe more comfortably, and lighter weight thanks to Scorpion's advanced thermoplastic shell. Also it does not miss the a-la-mode design trend in current offroad helmets. The VX-16 Air will write another page in Scorpion's offroad helmet history.
