THE BEST**
JACK MILLER - MOTO3

SCORPION EXO[®]

For almost ten years Scorpion EXO™ has been dedicated to offering high quality, innovative motorcycle helmets and apparel at an incredible value. Some of the world's best helmet and apparel designers spend countless hours developing and testing Scorpion EXO™ products to ensure that each and every Scorpion EXO™ Helmet will surpass user expectations. Pulling R&D from some of the top riders in the world, from MotoGP all the way to the Dakar Rally, Scorpion EXO™ is committed to listening to your needs. At Scorpion EXO™ we are dedicated to providing premium quality safety products you can rely on, we live for our brand from start to finish and we ride the same streets that you do. At Scorpion EXO™ our brand is more than just a logo, it's a lifestyle.

MISSION :

Scorpion exists to challenge the status quo of the commodity market with innovative and intelligently designed products that change the way people think about their gear.

IDENTITY :

At Scorpion we believe that quality, value, and profitability are not mutually exclusive. We create products that enhance our customer's experiences and change the way they think about their gear. Every day we strive to Destroy Boundaries. We are committed to the fundamental principles of partnership, profitability, and progress. We believe in sustained profitability through mutual growth and dedicated communication. Our team is our core strength, and customer satisfaction is our core focus. Our Brand is more than just a logo.

**THE OUTCLASSED
HELMET!**

With the Scorpion EXO-410 AIR, Scorpion continues to exceed anything you would expect from a full face helmet of the lower end of the range. With a contemporary and sporty look this helmet is emphasized by the state-of-the-art Ellip Tec visor system. The EXO-410 AIR has a lot of arguments in order to attract you: a limited weight thanks to a shell using the latest generation injection-moulded thermoplastics with the Air Channel scorpion technology, he is although equipped with the latest generation Airfit system, the soft and effective KwikWick2® and finally the EverClear Visor with no-fog coating on both sides,...

SUCCESS IN THE AIR

The VX-20 AIR is the best partner to seek victory. Ultra-light with the new tri-composite fibre shell with TCT® Structure for increased strength which will progressively crumple in case of shock, the VX-20 AIR is equipped with the completely deformable and unbreakable EXOLON® peak, fastened with new plastic screws designed to yield in the event of violent impact and a removable chin air grid. Provided with the Dual-Airfit® technology, featuring two inflation pumps in order to bring you more fitment and comfort, the VX-20 AIR has lots of others technologies and accessories: a Double-D titanium buckle chin-strap, an extremely efficient ventilation system, the soft and effective Kwickwick® liner, etc.

In order to ensure your success and pleasure the VX-20 AIR is delivered with a second free liner and a peak visor extension ... Enough to raise the Scorpion VX-20 AIR to the rank of one of the best MX helmets money can buy!
