SCORPION EXO[®]

For almost ten years Scorpion EXO™ has been dedicated to offering high quality, innovative motorcycle helmets and apparel at an incredible value. Some of the world's best helmet and apparel designers spend countless hours developing and testing Scorpion EXO™ products to ensure that each and every Scorpion EXO™ Helmet will surpass user expectations. Pulling R&D from some of the top riders in the world, from MotoGP all the way to the Dakar Rally, Scorpion EXO™ is committed to listening to your needs. At Scorpion EXO™ we are dedicated to providing premium quality safety products you can rely on, we live for our brand from start to finish and we ride the same streets that you do. At Scorpion EXO™ our brand is more than just a logo, it's a lifestyle.

MISSION :

Scorpion exists to challenge the status quo of the commodity market with innovative and intelligently designed products that change the way people think about their gear.

IDENTITY :

At Scorpion we believe that quality, value, and profitability are not mutually exclusive. We create products that enhance our customer's experiences and change the way they think about their gear. Every day we strive to Destroy Boundaries.

We are committed to the fundamental principles of partnership, profitability, and progress. We believe in sustained profitability through mutual growth and dedicated communication. Our team is our core strength, and customer satisfaction is our core focus.

Our Brand is more than just a logo.

SCORPION EXO-510 AIR

AN AMAZING RESURGENCE

This year SCORPION offers you a sensational new helmet: It is derived from the real « success story » that was the EXO-500 ... For nearly 5 years the over-equipped EXO-500 AIR of SCORPION's range went with you everywhere. We now are excited to introduce the new EXO-510 AIR. The aggressive and high octane look will amaze you, it embodies the best of all the technologies like: the KwikWick® II liner, the AirFit® system, a visor equipped with a Lens Pinlock MAXVISION® as standard and the Speedview® sunvisor treated with our anti-fog technology, the helmet has a real efficient aerodynamic system (for optimum ventilation). Perfect for daily users as well as seasonal ones and the adventurers, the EXO-510 AIR is the best quality and has the most features in a helmet you can buy for the money !

EXO-410 AIR**

THE OUTCLASSED HELMET!

With the Scorpion EXO-410 AIR, Scorpion continues to exceed anything you would expect from a full face helmet of the lower end of the range. With a contemporary and sporty look this helmet is emphasized by the state-of-the-art Ellip Tec visor system. The EXO-410 AIR has a lot of arguments in order to attract you: a limited weight thanks to a shell using the latest generation injection-moulded thermoplastics with the Air Channel scorpion technology, he is although equipped with the latest generation Airfit system, the soft and effective KwikWick2® and finally the EverClear Visor with no-fog coating on both sides,...

**SCORPION
BELFAST**

CUSTOM ON THE ROAD

A jet helmet with a look and inspiration from the « CAFE RACER » you always dreamed about, SCORPION gives you the BELFAST. This helmet has lots of assets and features. It will entice you with a harmonious design which pays homage to the classic heritage 3/4 open face helmets. Lightweight and comfortable, which will make you appreciate your whole ride. The retractable sun visor, treated with anti-fog, tinted light or dark smoked, will ensure your comfort and serenity. Moreover this helmet will seduce you thanks to the quality and the softness of the liner which is of course always removable and washable. Finally the micrometric Automatic Chinstrap allows you to adjust perfectly in order to ride in complete tranquility.
