

SCORPION
EXO

For almost ten years Scorpion EXO™ has been dedicated to offering high quality, innovative motorcycle helmets at an incredible value. Some of the world's best helmet designers spend countless hours developing and testing Scorpion EXO™ products to ensure that each and every Scorpion EXO™ Helmet will surpass user expectations. Pulling R&D from some of the top riders in the world, from MotoGP all the way to the Dakar Rally, Scorpion EXO™ is committed to listening to your needs. At Scorpion EXO™ we are dedicated to providing premium quality safety products you can rely on, we live for our brand from start to finish and we ride the same streets that you do. At Scorpion EXO™ our brand is more than just a logo, it's a lifestyle.

MISSION

Scorpion exists to challenge the status quo of the commodity market with innovative and intelligently designed products that change the way people think about their gear.

IDENTITY

At Scorpion we believe that quality, value, and profitability are not mutually exclusive. We create products that enhance our customer's experiences and change the way they think about their gear. Every day we strive to Destroy Boundaries. We are committed to the fundamental principles of partnership, profitability, and progress. We believe in sustained profitability through mutual growth and dedicated communication. Our team is our core strength, and customer satisfaction is our core focus. Our Brand is more than just a logo.

CORPION

NEW EXO-1400 CARBON

SCORPION'S FIRST CARBON ATTRACTION

AIR

With all good things the new EXO-1400 Air tourer helmet has, Scorpion adds an elegant carbon touch on the shell for more beautiful look and lighter weight. The Scorpion EXO-1400 Air Carbon hybrid is quite an essence of Scorpion's composite material technology acquired by the company's eminent TCT® composite fiber researches. It will deliver true riding pleasure to every all-day tourers with its ultra light weight, cool and comfort liner with premium details.

EXO-1400

A must-have of **AIR**
all-day tourers

The all-new EXO-1400 Air helmet best shows the innovative spirit of ScorpionExo with an aggressive helmet shape, light weight, brand-new top super ventilation system, newly developed KwikWick® III liner fabric, and shield locking mechanism with a push-up open lever located in center. Thanks to ScorpionExo's leading-edge technology, the helmet can become more silent than its predecessor EXO-1200 Air but its top super ventilation system still provides quite sufficient fresh air while removes hot air quickly and efficiently out of its air channels. This helmet is born to give the best comfort to every tourers who rides all day. The helmet also comes with carbon hybrid version for the riders who want lighter weight, and premium details with more elegant image.

EXO-490

Best choice for Tourers

Inherited the DNA of a best selling EXO-500 Air, the EXO-490 embodies not only stylish look but also multiple functionalities, yet available at price anyone can afford. The shield is with anti-scratch hardened coating, and is prepared for Pinlock® MaxVision®, the world's best fog-free resistant system. It also integrates the SpeedView® built-in retractable sun visor to protect rider from excessive sun light. Along with these, the EXO-490 does not miss ScorpionExo® signature functions like Kwikwick® II moisture-wicking removable and washable liner, and aero-tuned ventilation to force fresh air into the helmet while effectively move out hot air.

It is the best choice for practical tourers who love to enjoy various features at a very competitive price.

Rigid mask

Light smoke shield + dark smoke shield in the box

We've taken a perfectly good helmet and made it "badass"

We started with a 3/4 helmet shell and added an integrated Speedview® drop down sunvisor for protection from sunlight. Then you attach the front mask and you got one very aggressive looking helmet. EXO-Combat is a real transformer for whom is looking for a "badass" look. Sometimes there are special forces that require you to go with it.

Belfast

Custom on the road

A jet helmet with a look and inspiration from the «CAFE RACER» you always dreamed about, SCORPION gives you the BELFAST. This helmet has lots of assets and features. It will entice you with a harmonious design which pays homage to the classic heritage 3/4 open face helmets. Lightweight and comfortable, which will make you appreciate your whole ride. The retractable sun visor, treated with anti-fog, tinted light or dark smoked, will ensure your comfort and serenity. Moreover this helmet will seduce you thanks to the quality and the softness of the liner which is of course always removable and washable. Finally the micrometric Automatic Chinstrap allows you to adjust perfectly in order to ride in complete tranquility.

EXO-CITY

More than a normal jet helmet

The EXO-City was designed to offer a modern, protective, practical and functional product for those riders that need more than just a normal jet helmet. The face shield is specially extended in length for serious wind blocking, and the internal drop down Speedview® sun visor protects the rider from excessive sunlight, dirt, and small flying objects. The removable and washable KwikWick® II liner will keep you comfortable and fresh with its moisture-wicking properties.

ADX-1

A Swiss army knife of the helmet world

Introducing the all new ADX-1, a versatile modular Adventure Touring helmet. It has features and quality that you would expect to pay three times more for.

The ADX-1 can be used as a full face ADV helmet with external peak visor attached, or the peak visor can be removed and you have an aerodynamic touring helmet. Our oversized eye port is extremely wide for greater peripheral vision and downward visibility, and the modular chin bar can be conveniently flipped up when you stop to get gas or ask for directions. The internal drop down Speedview® sunvisor and KwikWick® II liner will keep you comfortable all day long even as lighting conditions change throughout the day. Additionally, the no-fog Pinlock® MaxVision® face shield can be removed and you can use the ADX-1 as a dirt helmet with goggles for off-road use. Two shell sizes made of Advanced LG® Polycarbonate and dual density EPS, result in a helmet that is light weight, strong, and protective.

Sylvain BIDART - Supermotard S1

VX-21

Comes back with **AIR** new features

The VX-21 Air comes with features demanded by the world's top off-road riders, utilizing Scorpion's advanced tri-composite fibre shell with TCT® shell construction and a dual density EPS system to create a light weight, feature-rich performance helmet that refuses to compromise. Not to mention the Scorpion's symbolic features: AirFit® cheek pad system for a custom snug fit, and aero-tuned ventilation for maximum breathability, the VX-21 Air is also upgraded with KwickWick® III Liner for moisture control and 3D contoured cheek pads for best fit to the rider's face to give an extreme comfort and freshness no one has ever experienced. Also, it comes with a peak visor extension that can be installed in seconds for those moments of extreme sun or mud in any terrain.
